## About Shri Vaishnav Vidyapeeth Vishwavidyalaya, Indore

Shri Vaishnav Vidyapeeth Vishwavidyalaya (SVVV), a private university in the state of Madhya Pradesh, INDIA, was established in 2015. Although a young university, it belongs to a group of other colleges, schools and educational institutes managed under the benign leadership of the 138-years old Shri Vaishnav Sahayak Kapda Market Committee. It has over 7,000 students in graduate, post-graduate, vocational and doctoral programs in architecture, engineering, management, social science, science and technology in five campuses and 15 institutional disciplines in Indore, INDIA. In engineering, its active research areas include polymer chemistry, green chemistry, photo biology, forensic science and biology, modern mathematics, plasma research, drug design magneto-biology and e-waste management. In management and humanities, its current research covers branding, workplace, happiness, learned optimism, managerial effectiveness, English Literature, psychology, journalism and mass communication. Electronic devices for braille reading, smart dustbins and magneto-priming seeds will be some of its forthcoming innovations. In engineering, it is exploring new techniques in mechatronics, automobiles and railways.

The university is offering Undergraduate, Postgraduate, Dual Degree and Doctoral programs in various disciplines through the following constituent institutions:

- Shri Vaishnav Institute of Technology and Science
- Shri Vaishnav Institute of Information Technology

- *Centre of Vocational Studies*
- *Centre of Excellence in Sustainable Development*
- *Centre of Excellence in Simulation and Gaming*

## About Shri Vaishnav Institute of Forensic Science

Shri Vaishnav Institute of Forensic Science (SVIFS) was established as constituent Institute of SVVV, Indore in 2016 in order to promote excellence in the field of forensic science. The Institute aims at providing practical knowledge along with theoretical aspects in the field. The Institute organizes various activities such as Model making, Moot Court Competition, Forensic Exhibition, Guest Lecture as well as National and International Conference in order to inculcate the overall development of the students. Institute offers UG, PG programs in Forensic Science, Forensic Psychology, Digital and Cyber Forensics. M.A./ M.Sc. in Criminology and PhD in Forensic Science. The Institute promotes Forensic Science through quality research in wide areas of Forensic to accelerate the practice in criminal and civil cases.

## About Conference “TATHYAM-2023”

Criminals are getting intelligent day by day, forensic science is also updating itself by introducing sustainable skills and safety in forensic science. ‘TATHYAM’ National Forensic Science Conference provides a common platform for educators, researchers, scientists, lawyers and police personnel to exchange their knowledge and experiences and to acquaint with advancements in their field. Considering this fact SVIFS announce this National Virtual Conference on “*Multidisciplinary Approaches in Forensic Science*”

### ***SUB THEMES :***

- Crime Scene Management, Computer Forensics
- Forensic Physics, Forensic Anthropology
- Forensic Ballistics and Explosives, Wildlife Forensics
- Forensic Chemistry and Toxicology, Forensic Engineering
- Forensic Biology and Serology, Environmental Forensics
- Questioned Document analysis, Forensic Science and Related Laws
- Forensic Fingerprint analysis
- Forensic Psychology

# Call for Papers

The conference invites students, Research Scholars, academicians, scientists, law and police personnel from Forensic Science and associated areas to submit their unpublished theoretical, empirical and scientific papers focusing on the theme.

## ***GUIDELINE FOR E-POSTER SUBMISSION:***
